New Sticker Shock Stickers Designed & Ordered!

CCSAP getting more traffic and shares on Facebook!

CCSAP is starting to get more engagements and shares on social media. This is great news, as we are getting our mission and word out about our work and organization.

CCSAP is getting excellent exposure & recognition on social media! We are thrilled to be getting the word out about our work & mission!

Drugs & Alcohol Chat Day

The next CHAT DAY is scheduled for January 24, 2019!

National Drugs & Alcohol Chat Day is an annual live online chat held between high school students and NIDA scientists during National Drug and Alcohol Facts Week®. Students from around the country ask the questions they most want the answers to about drugs and drug misuse, including drug effects, how to help friends or family that are abusing drugs, and what causes addiction. Our expert scientists give them the facts.

Underage Drinking SNOWBALLS During December. Why?

Really great infographic we can use to illustrate why underage drinking goes up during

December. Put a **CHILL**

on underage drinking and help us spread the word.

CCSAP has its own AmazonSmile account!

Don't forget when shopping on Amazon, to use CCSAP's AmazonSmile account. This charity helps to bring money back to our organization, simply by shopping and doing what you would normally do. It takes minutes to set up and makes a huge impact for CCSAP. Simply go to: <https://org.amazon.com/> to register. Now is the time to sign up and start contributing during the holiday and shopping season!

Thankful for CCSAP Task Forces

We are so thankful for our task forces who are engaged in the fight against underage drinking and prescription drug misuse. They are working with local entities such as health departments, schools, recovery groups, hospice, etc. to ensure our prevention messaging is heard!
